

Oh God You're An Awesome God

A variation on the theme of **Our God is an awesome God** by Rich Mullins

When you took upon yourself the form of sinful flesh
Oh God you're an awesome God
Then you lived a perfect life, passing ev'ry test
Oh God you're an awesome God
Well, you suffered for our sins as you hung upon the cross
To rescue us from death was your first an only thought
You shed your precious blood to ransom all the lost
Oh God you're an awesome God

Oh God you're an awesome God
You reign from heaven above
With wisdom, pow'r and love
Oh God you're an awesome God

When you call me from on high I'll be ready to go
Oh God you're an awesome God
Then I'll be like you up there 'cause I'll know as I am known
Oh God you're an awesome God
I'll be caught up to the clouds to meet you in the air
And you'll change me in a blink to live for ever there
Then I'll sing and dance and praise in a place without a care
Oh God you're an awesome God
