I met her from the o - ther side of the wor - ld It seems im - pos - si - ble but  
We keep on go - ing thru' his strength from a - bove the pow'r of God each day is  
For now and al - ways we will be with each oth - er as one in ev' - ry - thing we'll

now she's my gir - l At first the mi - les seemed to tear us a - part  
al - ways e - nough as long as we are true in bo - dy and mind  
do it to - ge - ther with mind and souls knit as one fab - ric of love

but as the time went by love grew in our heart but still we hun - gered with - in  
and love each o - ther with his love di - vine yet there will be times that try  
we'll show the world that we are born from a - bove still there might be some ad - ver -

our souls each day seemed like an e - ter - ni - ty  
our hearts and prove that our love is meant to be  
si - ty and those who look but just can not see

then our first touch seemed to make us whole so I say to her and her to me  
and though some try to tear us a - part still I say to her and her to me  
though all the world might con - demn our love yet I say to her and her to me
